

I'm So Big

Look how big I am now,
I am such a grown-up boy.
I can buckle up my shoes myself,
Mommy claps with joy.

One shoe on my left foot
And one shoe on my right,
Mommy watches with a smile
As I fasten them real tight.

My Favorite Places

So many places I like so much,
The park, the zoo, and more.
Seesaw, bars, and slide,
I can do it all – because
I'm four!

Another place I like a lot,
The garden where tomatoes grow.
I fill the can until the top,
And I water the vegetables,
nice and slow.

I love when I go with Mommy,
To see the animals at the zoo.
Elephants, giraffes, and lions,
When I'm allowed, I feed them, too!
